In these Terms and Conditions, references to the Convention mean the Convention for the Unification of Certain Rules relating to International Carriage by Air, signed at Warsaw, October 12, 1929, or that Convention as amended by the Hague Protocol 1955, the Montreal Protocol No. 4 and/or the Convention. 16. Maximum Liability

Where the Convention does not apply to a shipment, the maximum amount of any losses or damages of any kind whatsoever and, howsoever caused, for which Loomis Express may be liable is \$2 per LB (or \$4.41 per kilogram) computed on the total weight of such shipment, unless a higher value is declared on the Bill of Lading at the time of pickup and the sender has paid all applicable surcharge. Declared value for carriage is required by Loomis Express to determine transport liability limits, while "declared value for customs" is required by customs officials for possible assessment of duties and taxes. The declared value for carriage of any shipment represents Loomis Express' maximum liability in connection with a shipment, subject to section 15 above and to the rules of liability established by the Convention where the Convention applies. In no event, however, shall there be a declared value in excess of \$5,000 and any value declared in excess of same will be deemed to be invalid. The shipment value must be declared on the Bill

of lading at the time of pickup. All shipments with a declared value exceeding \$2,500 must have a pre-authorization number obtained from the local Loomis Express branch or by calling Customer Service at 1.855.2LOOMIS (1.855.256.6647) prior to shipping. The number is to appear in the Special Agreement box on the waybill. Shipments missing an authorization number will be deemed invalid. Additional charges will apply. Further, any action must be brought within two (2) years from the date of delivery of the shipment or from the date on which the shipment should have been delivered or from the date on which carriage stopped. Failure to comply with any of these conditions in this paragraph, including time limits, will result in the denial of customer's claim, and Loomis Express will have no liability or obligation to pay the claim. No claims will be considered until all freight charges have been paid.

Minimum claim amount Loomis Express will not process claims less than \$20.00 in value.

19. Shipper's Risk

24. Governing Law

The Bill of Lading and these Terms and Conditions shall be governed by the laws of the jurisdiction where the shipment originates, and the customer irrevocably submits to the non-exclusive jurisdiction of the courts of such jurisdiction, unless contrary to applicable law.

25. Severability

If, in any jurisdiction, any provision of these Terms and Conditions or its application to any party or circumstance is restricted, prohibited or unenforceable, such provision shall, as to such jurisdiction, be ineffective only to the extent of such restriction, prohibition or unenforceability without invalidating the remaining provisions of these Terms and Conditions and without affecting the validity or enforceability of such provision in any other jurisdiction or without affecting its application to other parties or circumstances.
